

PERENNIALS THAT TOLERATE MOIST CONDITIONS

Constantly saturated soils lack the air that most plants need for good growth. When deciding how to best deal with a patch of perpetually boggy ground, you will find that most plants are not up to the challenge. The plants listed below are the best choices for wet conditions.

| | | | |
|-----------------------|-------------------|----------------------------|----------------|
| Aconitum spp. | MONKSHOOD | Ligularia spp. | LIGULARIA |
| Anemome japonica | ANEMOME | Lobelia spp. | LOBELIA |
| Astilbe spp. | ASTILBE | Lysimachia nummularia | CREeping JENNY |
| Astrantia major | MASTERWORT | Lysimachia punctata | LOOSESTRIFE |
| Athyrium filix-femina | LADY FERN | Matteuccia struthiopteris | OSTRICH FERN |
| Calamagrostis spp. | REED GRASS | Mentha spp. | MINT |
| Cimicifuga spp. | BUGBANE | Miscanthus spp. | MAIDEN GRASS |
| Deschampsia cespitosa | TUFTED HAIR GRASS | Molina spp. | MOOR GRASS |
| Doronicum spp. | LEOPARD'S BANE | Myosotis sylvatica | FORGET ME NOT |
| Dryopteris filix-mas | MALE FERN | Panicum vigatum | SWITCH GRASS |
| Eupatorium spp. | JOE PYE WEED | Persicaria spp. | FLEECEFLOWER |
| Filipendula spp. | FILIPENDULA | Physostegia virginiana | OBEDIENT PLANT |
| Hosta spp. | PLANTATION LILY | Primula spp. | PRIMROSE |
| Hydrangea spp. | HYDRANGEA | Phalaris arundiancea picta | RIBBON GRASS |
| Iris cristata | CRESTED IRIS | Rodgersia spp. | ROGER'S FLOWER |
| Iris ensata | JAPANESE IRIS | Tradescantia viriniana | SPIDERWORT |
| Iris sibirica | SIBERIAN IRIS | Trollius chinensis | GLOBEFLOWER |
